Some of those listed items are incomplete and vital for your child's year in school. Your cooperation in providing these as soon as possible will be sincerely appreciated.
- Don't forget to save your BOX TOPS and tabs off cans. Get others to help save these also. Send these items to school.
- ALL parents of students with cell phones, please take special note of the cell phone policy in the handbook. It would actually be best if cell phones were not brought to school!!
