We typically ask for other supplies (Clorox wipes, Lysol spray, paper towels, etc.).

However, for the convenience of parents, we have removed those from the supply list and have increased the general supply fee by a small amount.

The \$50 supply fee per student will be assessed with August tuition to help cover the cost of daily use, bulk supplies, classroom cleaning supplies, OTC medications, and paper products used throughout the year.

If additional supplies are needed, the classroom teacher will contact you.
